Naved is a lawyer with over 22 years of experience. Naved advises leading health and life sciences companies and companies in the space of Infrastructure and Renewables. In his vast experience as an in-house counsel, he strives to provide commercial-legal solution as he understands the requirement of the industry better as an insider.

Naved advises on a wide variety of general corporate, mergers & acquisition (in bound as well as outbound), in licensing, out licensing, loan licensing, documentation in respect of development of molecules, clinical trials (Stage I-IV), pre-clinical trials in the field of life sciences, mitigation of risk in contracts (International and domestic), infrastructure projects with special emphasis on renewables, project financing, litigation, arbitration, dispute resolution, real estate matters, and infrastructure.

Naved has conducted trials, appeared before tribunals and various High Courts of India and Supreme Court of India.

Naved started his career as a litigator with **Mulla & Mulla, Craigie, Blunt & Caroe**. Prior to LexRidge Partners, Naved was an independent advisor to clients in the field of health & life sciences and renewables. He was a Senior Counsel with AZB & Partners, General Counsel with Suzlon Energy Limited, in house counsel with Wockhardt limited.

Naved has also been declared Rising Star Lawyer by IFLR 1000 in Project development Energy and Infrastructure for the period 2016-17 and 2017-18.
